

CX3535/CX4545 MFP Series

OKI®

High-performance color MFPs – with the advanced features your workgroups need

OKI and The Environment

- ENERGY STAR® Compliant** Superior energy efficiency
- 2-sided Printing/Copying** Saves energy and resources
- Deep Sleep Mode** Lowers power to save energy (5W)
- 30% Recycled Plastics** Eco-friendly construction

The CX3535/CX4545 MFP Series from OKI®. Color multifunction devices with productivity-enhancing features – and excellent print-and-copy output.

Highlights:

- Print, copy and scan with optional fax
- OKI® open-platform software architecture simplifies adding external applications
- Fast Color/B&W print and copy speeds:
 - CX3535 MFPs at up to 35 ppm¹
 - CX4545 MFPs at up to 45 ppm²
- Fast first-copy-out times
- Excellent output in Color and Black & White
- High toner yields – up to 34,200 pages²
- Duplex (2-sided) printing/copying standard
- PCL® 6, PCL 5c/5e, PostScript® 3™ standard
- Prints up to 140 lb. (270 gsm) index stock and 12" x 47" banner sheets
- A3-size color scanner with 100-sheet reversing automatic document feeder (RADF)
- Scan-to PC/network folder, hard disk, USB, e-mail (LDAP/SMTP), FTP/HTTP server, e-File
- 8.5" backlit LCD display with tilting touch-screen and full QWERTY keypad
- Upgradable paper capacity with 550-sheet Paper Feed Pedestal³ or 2,500-sheet Large Capacity Feeder⁴
- 70,000-page monthly duty cycle
- ENERGY STAR® compliant
- Optional Super G3 fax, Multi-Position Finisher, wireless LAN, Bluetooth®
- 90-Day limited On-Site warranty with warranty extensions⁵
- Live, toll-free technical support 24/7/365

The CX3535/CX4545 MFP Series from OKI combines color and black & white printing/copying/scanning with optional high-speed fax. These feature-rich MFPs enable you to produce professional-looking documents at productivity-boosting speeds and distribute them quickly and easily.

Extremely fast—in print and copy speeds, as well as first-page-out times—the CX4545 MFPs deliver excellent output at up to 45 prints or copies per minute, while the CX3535 MFPs produce the same high-quality output at up to 35 ppm/cpm.¹

All configurations offer duplex (2-sided) print and copy capability, and can handle heavier paper stock (up to 140 lb. index), as well as banner paper up to 47 inches in length.

Sharing documents has never been easier – With the CX3535/CX4545 MFP Series models you can scan in a document—actually, up to 57 scans per minute on the reversing automatic document feeder (RADF)—and choose from a variety of “send-to” options for your file: to a PC or folder on your network, an FTP or HTTP server, a USB memory stick, as an e-file to the 80GB hard disk drive, or as an attachment to an e-mail.

The large touch-screen LCD display—with full QWERTY keyboard for entering e-mail and Web addresses—and simple-to-follow workflow make whatever destination you choose a snap to access.

OKI® open platform software – a flexible architecture that allows software developers and OKI Solution Partners to create customized MFP solutions that meet specific business needs.

For example, with optional connectors and using the CX3535/CX4545 MFP's touch-screen display, you can integrate with cloud-based applications to:

- Scan documents directly to the Draft folder in Microsoft® Exchange
- Upload documents directly to Microsoft SharePoint® while adding meta data to the appropriate SharePoint lists and fields
- Integrate scanned documents into document management and ECM systems with MetaScan XML files

The CX3535/CX4545 MFP Operator Panel

Easy-to-access functionality: primary features are simple to locate and access

Alphanumeric keypad: enter fax numbers, codes and quantities with a touch

Backlit LCD display: simplifies navigation and enhances user productivity; QWERTY keyboard enables entry of e-mail addresses and FTP sites

Reliability and versatility now, with added functionality as your business needs grow – including document/workflow management.

Reliable performance in every mode – Use your CX3535/CX4545 MFP to print, copy and scan (plus, add faxing), while avoiding the cost and maintenance associated with dedicated equipment. Perfect for mid-size to large workgroups, these MFPs are rated at 70,000 pages per month—or 3,500 color/black & white pages each working day.

Versatile, powerful output – CX3535/CX4545 MFPs are compatible with Windows®, Mac®, Linux and UNIX® operating systems, and offer PCL® and PostScript® emulations. Use statement-, letter-, tabloid- or banner-size sheets to suit your purpose. Complete the job professionally with the optional multi-position finisher, hole punch unit and staple kit. Plus, record what works: the 80 GB hard disk drive can store specific print copy, scan and finishing settings as templates.

Enhanced document/workflow management – OKI® open platform software is a flexible architecture that allows software developers and OKI Solution Partners to create customized MFP solutions to meet specific business needs. The MFP's web interface lets users interact directly with web-based applications via the touchscreen on the operator panel.

Users can increase the efficiency of document management workflow and processes through a host of business applications, such as Google® Docs, Microsoft® SharePoint® and Exchange, accessed with optional connectors.⁶

Optional OKI open platform connectors include:

- **Microsoft SharePoint Connector** – enables users to scan and deliver documents to a Microsoft SharePoint destination, resulting in seamless integration with SharePoint. They can access Microsoft SharePoint Lists and enter data required by SharePoint fields.⁶
- **Microsoft Exchange Connector** – allows users to scan a document through the Microsoft Exchange server, resulting in seamless integration with Microsoft Outlook®. They can access their Outlook Address Book, view sent e-mail from the Outlook Sent folder, and save a scan to their Outlook Drafts folder.⁶

And, as new applications become valuable to your business, they can be added to your MFP's feature sets by value-added OKI Solution Partners using OKI Open Platform technology.

Take digital control of your documents – With their e-filing capabilities, CX3535/CX4545 MFPs move you closer to the paperless office. Create folders in a shared or private “box” and drop your electronic documents into them—files for printing, copying or scanning—and retrieve them for future actions. For maximum efficiency, set up job templates that allow you to simultaneously copy or scan a document and also e-file it to a specific box for later use.

Opt for a full-featured fax – The high-speed Super G3 fax that's available with the CX3535/CX4545 MFP Series comes with features to make

your job easier and more professional, including T.37 Internet faxing, a 3000-entry address book, double-sided fax scanning, 256-level gray scale, page editing, and generous fax memory.

Options to make your life easier – CX3535/CX4545 MFPs enable users to be more efficient and productive than ever. The optional multi-position finisher, hole punch unit and staple kit let users complete projects in-house—and avoid the expenses of outsourcing to copy shops. And optional wireless LAN and Bluetooth® connectivity provide convenient access to print and copy functions.

Heightened security – With an increasing amount of business-critical data being stored on MFPs' hard disk drives, administrators are justifiably concerned with document security. That's why OKI sees to it that CX3535/CX4545 MFP Series machines are exceptionally secure.

AES Encryption prevents any unauthorized person from reading data stored on the hard disk drive. For even greater security, an optional Data Overwrite Enabler securely erases printed, copied, faxed and scanned data that are temporarily stored inside the hard disk, ensuring that information can't be read—even in the event of a disk drive theft.

For exceptional business printing and copying, the CX3535/CX4545 MFP Series from OKI is perfect for improving your communications—and your bottom line.

The CX3535t MFP and CX4545x MFP

CX4545x MFP with Large Capacity Feeder; holds up to 3,700 sheets (shown with optional Multi-Position Finisher)

CX3535t MFP with 550-sheet Paper Feed Pedestal; holds up to 1,750 letter- or tabloid-size sheets

¹ Published performance results based on simplex printing/copying of letter-size sheets in laboratory testing. Individual results may vary.

² Based on 6% coverage of letter-size page.

³ Standard on CX3535t configuration.

⁴ Standard on CX4545x configuration.

⁵ Call 800.OKI.DATA (800.654.3282) for warranty details.

⁶ Requires activation through optional External Interface Enabler.

CX3535/CX4545 MFP Series

Specifications

Printer

- **Print Speed:** CX3535 – 35 ppm Color/B&W; CX4545 – 45 ppm Color/B&W¹
- **Print Resolution:** Up to 600 x 600 dpi
- **Duplex (2-Sided) Printing:** Standard
- **Processor:** 1.0 GHz PowerPC
- **Emulations:** PCL® 6, PCL 5c, PCL 5e; PDF; PostScript® 3™; XPS
- **Connectivity:** Standard 1000 Base-TX Ethernet, USB 2.0; optional Wireless LAN (requires optional antenna), Bluetooth®
- **Operating Systems:** Windows® 7, Vista®, XP, Server 2003, 2008, 2008 R2; Netware® 6.x; Citrix® MetaFrame; Mac® OSX 10.2.8 and higher; Linux; UNIX®
- **System Memory (Std./Max):** 1 GB
- **File Storage:** 80 GB hard disk drive
- **Duty Cycle:** 70,000 pages per month

Copier

- **Copy Speed:** CX3535 – 35 cpm Color/B&W; CX4545 – 45 cpm Color/B&W¹
- **First Copy Out Time:** CX3535 – Color 8.4 sec./B&W 6.5 sec.; CX4545 – Color 6.8 sec./B&W 5.2 sec.¹
- **Copy Resolution:** Up to 600 x 600 dpi Color; up to 2,400 x 600 dpi B&W
- **Copy Scaling:** 25% to 400%
- **Copy Modes:** Text/Photo, Text, Photo, Printed Image, Map
- **Copy Quantity Selection:** Up to 999 copies
- **Copy Functionality:** Contrast, Brightness, Duplex, Mixed media, Auto tray switching, Auto scaling, 2-up, Edge erase, Cover sheet, Image shift, Trim/Mask, Department/User code, Date/Time

Scanner

- **Scan Type:** Color/B&W flatbed; Reversing Auto Document Feeder (RADF)
- **Max Scan Area:** 11" x 17"
- **RADF Capacity:** 100 sheets max.
- **Scan Speed:** Up to 57 spm Color/B&W (@ 300 dpi)
- **Scan Resolution:** 100 x 100 dpi to 600 x 600 dpi
- **Scan Modes:** Color, Black & White, Grayscale
- **Compatibility:** TWAIN, WIA (Windows)
- **Scanning Functionality:** Preview, 2-Sided, Image rotation, Auto/Manual exposure, User password
- **Address Book Management:** LDAP (3,000 entries)
- **Formats Supported:** TIFF, XPS, PDF, JPEG
- **Scan-to Capabilities:** Folder (PC/Network), Hard disk, USB, e-mail (LDAP/SMTP), server (FTP/HTTP), e-File to Hard Disk Drive; Optional MetaScan Enabler for XML scan-to features

Optional Fax

- **Fax Modem Speed:** 33.6 Kbps Super G3
- **Transmission Speed:** Approx. 3 sec. per page²
- **Fax Resolution:** Up to 300 x 300 dpi
- **Broadcast Transmission:** Max. 400 destinations; Group broadcast max. 2,000 destinations
- **Phonebook Search:** LDAP, Keyword
- **2nd Fax Line:** Optional
- **Fax Functionality:** Internet fax, Mailboxes (300), Chain dial (128 digits), Auto re-dial, Memory transmission, Delayed transmission, Polling, Journal report (Sending/Receiving)

Document and Workflow Management

- **OKI Open Platform Technology:** Flexible software architecture; Web Services-based (print and scan); MetaScan with XML; Output management; Web Services for Devices (WSD – requires optional External Interface Enabler or MetaScan Enabler)

Operator Panel

- **Features:** 8.5-in. backlit color LCD display; tilting touch-screen; QWERTY keypad

Paper Handling

- **Duplex Printing/Copying:** Standard
- **Standard Paper Input:** CX3535/CX4545 models – 1,200 sheets; CX3535t configuration – 1,750 sheets; CX4545x configuration – 3,700 sheets
- **Additional Paper Input:** 550-sheet Paper Feed Pedestal³; 2,500-sheet Large Capacity Feeder⁴
- **Maximum Paper Input:** 3,700 sheets
- **Multi-Position Finisher:** 250-sheet Stationary Tray; 2,000-sheet Finishing Tray; up to 50-sheet staple capacity; holds up to 30 stapled sets
- **Bridge Kit:** required with optional Finisher
- **Hole Punch Unit:** 2-hole or 3-hole
- **Paper Sizes (Min./Max.):** Main Tray – 5.5" x 8.5" to 11" x 17 (tabloid/A3); Bypass – 5.5" x 8.5" to 12" x 47" banner; Duplex – 8.5" x 11" to 11" x 17"; Paper Feed Pedestal (PFP) – 5.5" x 8.5" to 11" x 17"; Large Capacity Feeder (LCF) – 8.5" x 11"
- **Paper Weights:** Main Tray, Duplex and PFP – 17 lb. bond to 140 lb. index (64–256 gsm); Bypass – 17 lb. bond to 100 lb. cover (64–280 gsm); LCF – 17 lb. bond – 28 lb. bond (64–105 gsm)

Environmental

- **Size (WxDxH):** 30" x 28" x 29" (76.21 cm x 71.11 cm x 73.66 cm)
- **Weight:** Approx. 267 lb. (121.1 kg)
- **Power Consumption:** Operating – Max. 1.5 kW
- **Acoustic Noise:** Operating CX3535 <68.5 dB, CX4545 <71.5 dB; Idle (both models) <51 dB
- **ENERGY STAR® Compliant:** Yes
